

Who could ask for anything more in a musical extravaganza? This high-energy comedy of mistaken identities, plot twists, fabulous costumes, tap-dancing and Gershwin music is classic. Memorable tunes include *I Can't Be Bothered Now*, *I Got Rhythm*, *They Can't Take That Away From Me*, *Embraceable You* and *Someone to Watch Over Me*.

"... A riotously entertaining musical with a classic blend of music, laughter, dancing, sentiment and showmanship..."
